**The Supreme Court.** Hong Kong is a Crown Colony ceded to Great Britain by the Chinese in 1841. Lord Napier, in 1834, had urged the Home Government to send a military force to take possession of the island, which, at the eastern entrance of the Canton rivers, was admirably adapted for every purpose. The Courts of Justice designed by Sir Aston Webb and Mr. E. J. Bell, were erected 1903-12.
